

# BOWLING CHALLENGER™

## GAME DESCRIPTIONS

Bowling fun! ProTec Games' Bowling Challenger video slot game features five reels, fourteen animated symbols, two bonus games and one free spin feature. Bowling Bonus boasts realistic ten-frame, ten-pin bowling with smooth 3-D graphics and animations. Trophy Bonus provides pick-and-win awards in a bowling trophy room. The player also can win multiple free spins by hitting the Free Spin Feature.

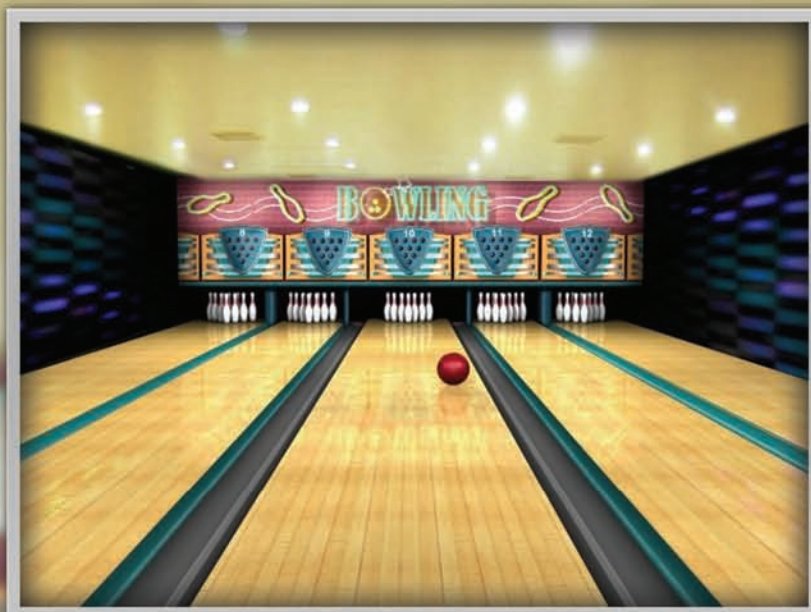

## TURN-KEY PACKAGE

All game packages include Base Screen, Bonus Screen, Symbols, Animations, Bonus Simulation files, Glass Design, Sound package, Par Sheets and documentation to implement the game on your platform. All game elements have been completed in an English version and are ready for immediate adaptation on the platform. Localization is available.

## BOWLING BONUS

3 or more trigger symbols on consecutive reels, starting from leftmost reel on an active payline starts the Bowling Bonus. Take the traditional ten-pin, ten-frame bowling game by making 20+ shots, number of hit pins is randomly determined by the game, awards are based on the number of trigger symbols, credits wagered on payline and the total score of the bowling game.

## TROPHY BONUS

3 or more trigger symbols on consecutive reels, starting from leftmost reel on an active payline starts the Trophy Bonus.

Pick three out of a total six trophies and win from 75 to 200 credits.

## FREE SPIN FEATURE

The Free Spin Feature is activated when two trigger symbols appear anywhere on the first and fifth reels. The trigger symbols turn into numbers that reveal the number of free spins the player gets and the multiplier that applies to the player's winning awards.
