Piggin' Out video slots feature 20 lines with 14 themed and animated symbols, 2 interactive bonus rounds, 2 hidden bonus, and even a Free Spin Feature!

Barnyard Casino Bonus

The party is on at the neighborhood barn! The Player will enter the Mud Tub Hidden Bonus at the end of the Barnyard Casino Bonus round.

Raid The Fridge Bonus

The lights are out and the farmer is fast asleep! It's time for the pig to bust in and Raid the Fridge!

FREE SPIN BONUS

The Free Spin Mill Bonus is activated when 2 Spin Mill Symbols are scattered on the 1st and 5th reels on the screen. The Pig is caught off guard while Piggin' Out, but that doesn't change his southern hospitality! After a HUGE blowing, the numbered blades on the windmill start spinning. The Pig quickly starts jammin' on his Banjo while the Player is prompted to Stop the mill by pressing the button. As the mill slowly stops, a friendly blue bird that is perched on the mill selects one of the three blades closest to him.
